Docket Number: 24-OPT-02

opposition to Proposed Compass Energy storage project ((24-OPT-02)

We oppose the Bess facility in Laguna Niguel.
too many wildfires in this areas.
the canyon is hard to access to put out fires in the event the lithium battery storage overheats
high population area
any leakage of hazardous materials goes down to the creek and out to the Pacific Ocean
PLEASE DO NOT APPROVE THIS PROJECT!
thank you very much
MR Hoffman
