Membership to the Clean Transportation Program Investment Plan Advisory Committee

Revised April 4, 2025, reflecting changed and added memberships since late 2024. Added language appears in **bold underline**, and deleted language appears in ~~strike through~~ and within square brackets. The California Energy Commission (CEC) asked for applications and remains very interested in adding a representative from one or more California Native American tribes to the Committee. Please contact Benjamin Tuggy (benjamin.tuggy@energy.ca.gov) if interested.
