For the Evidentiary Hearing, in-person attendance by the Parties, partner agencies, and witnesses is requested. Hopefully the lead time will give all participants sufficient time to arrange for their representatives to attend.

Remote participation via Zoom will be available for the public for both the Prehearing Conference and Evidentiary Hearing.

Closer to the events, formal notice for each of them will be issued by the Presiding Member. Those notices will include detailed instructions on how the Parties, interested persons, and the public may prepare for and participate in the Prehearing Conference and Evidentiary Hearing.
