The following provisions apply: Title 20 CCR Section 1674(b); Title 20 CCR Section 2505; Title 20 CCR Section 2025; CA Government Code Section 6254, Government code section 7927. 700. The information to be protected contains proprietary business information, trade secrets and Personnel information and would otherwise cause a loss of competitive advantage.

Specific nature of that advantage:

CHEERS has invested a substantial amount of time, money, and resources into collecting, managing, and maintaining these programs and data.

How the advantage would be lost:

The disclosure of this information would furnish valuable insights to any present or prospective competitor, enabling them to sidestep or minimize the significant investment required.

The value of the information to the applicant:

CHEERS has spent years and many hundreds of thousands of dollars developing, collecting, managing, and maintaining these programs and data.

Ease or difficulty with which the information could be legitimately acquired or duplicated by others:

Acquiring or duplicating the data legitimately would present a significant challenge, requiring considerable time and financial investment for others.

None of the materials we request to be designated as confidential are suitable for aggregation. Any attempt at aggregation would likely result in the disclosure of confidential information.

The material has been kept confidential and has not been disclosed to any person other than CHEERS staff except where required by HERS Regulations. The following exceptions apply: For quality assurance deficiencies the rater is notified. If a second deficiency is found, HERS Providers and the CEC are notified.

The information contained within CHEERSRaterList_2024.pdf is substantially similar to the record previously designated on 5/28/2024 (TN#256567). I certify that the records at issue are substantially similar to the records previously designated as confidential, and that the facts and circumstances have not changed.

The 2024 CF1R, CF2R, CF3R, NRCV, LMCC, LMCI, LMCV compliance files submitted via CEC S3 storage is substantially similar to the record previously designated on 6/10/2024 (TN#256763). I certify that the records at issue are substantially similar to the records previously designated as confidential, and that the facts and circumstances have not changed.

“I certify under penalty of perjury that the information contained in this application for confidential designation is true, correct, and complete to the best of my knowledge.”

Thank You,
