How to Apply for the CALeVIP Fast Charge California Project

June 18, 2025

10:00 a.m. to 11:30 a.m. PDT

The **Fast Charge California Project**, part of the **CALeVIP** initiative, offers significant state incentives—covering up to 100% of installation costs—for **DC fast chargers** at publicly accessible sites. You are invited to attend a free webinar to learn how to apply for incentives.

What You'll Learn:

- Key project milestones and deadlines.
- Step-by-step application guidance.
- How to select eligible equipment and network providers.
- What's required for Tier 1 documentation.
- Available support resources and assistance for applicants.
- Live Q&A with the Fast Charge California Project team.

This is your opportunity to get expert guidance, ask questions and set your EV charging project up for success— **before the application window opens on July 8.**

Help power California's clean transportation future by starting your fast charger project planning today.
