Re: Testimony by Laguna Niguel Mayor Ray Gennawey at Local Project Hearing

Dear Ms. Longman:

This is to inform the Commission that Laguna Niguel Mayor Ray Gennawey has prepared comments in strident opposition to the above-referenced proposal as a representative of the City's nearly 63,000 residents at the local project hearing. The City hereby requests that the Mayor's opportunity to speak occur during a timeslot reserved for local elected officials and that he be provided five minutes to address the Commission.

Sincerely,

Scott C. Smith
