**Subject: STAFF STATUS REPORT #10 FOR THE WILLOW ROCK ENERGY
STORAGE CENTER (21-AFC-02)**

In its *Fourth Revised Committee Scheduling Order* filed April 15, 2025 (TN 262690), the Willow Rock Energy Storage Center AFC Committee (Committee) for the Willow Rock Energy Storage Center (WRESC) proceeding ordered the parties to “continue submitting monthly status reports no later than the 26th day of every month” and further clarified that “[s]tatus reports shall inform the Committee whether the case is progressing satisfactorily and bring potential delays and other relevant matters to the Committee’s attention.”

As per the Committee’s *Fourth Revised Committee Scheduling Order*, CEC staff filed the complete Preliminary Staff Assessment (PSA) on April 29, 2025 (TN 262850). Public comments on the PSA will be received for a 45-day period through June 16, 2025. Staff will be hosting a publicly noticed PSA workshop, which will be held prior to the close of the public comment period.

Staff is working diligently to prepare for the PSA workshop and monitoring and compiling comments in preparation for the Final Staff Assessment.

Staff will continue to follow the directives of the *Fourth Revised Committee Scheduling Order* and provide regular updates to the Committee.
