(C) Report Information

Report Name: IEPR 2025, Electricity Demand Forecast Forms

Powering The Center of What's Possible

Applicable regulations: CCR, Title 20, Section 1301 et. seq. and 1340 et seq.

(D) Reason for Extension Request

SVP only submits loads based on approved projects which are currently under review.

SVP will need additional time to collect, validate, and accurately compile the information requested. SVP respectfully requests an extension to December 31, 2025 to allow for comprehensive compliance with all regulatory requirements.

(E) Commitment to Compliance

We are fully committed to diligently working together to complete the form by the requested deadline, ensuring full compliance with all applicable requirements.

(F) Declaration

I, Bill Her, declare under penalty of perjury under the laws of the State of California, that I am authorized to submit this application on behalf of the City of Santa Clara dba Silicon Valley Power.

To the best of my knowledge and belief, and based on diligent investigation, the information in this application is true, accurate, complete, and in compliance with the regulations specified in CCR, Title 20, Section 1342.

We appreciate your consideration of this request and look forward to your response.

Sincerely,

Bill Her
