	)

---

On March 23, 1999, Geysers Power Company (GPC) submitted a Petition to Transfer Ownership of the Sonoma Geothermal Power Project (formerly SMUDGEO) from Calpine Geysers Company, L.P. to GPC. Both entities are wholly-owned subsidiaries of Calpine. The Petition was filed in accordance with section 1769(b) of the Energy Commission's regulations [Title 20, California Code of Regulations, section 1769(b)].

COMMISSION FINDINGS

The Energy Commission finds that the Geysers Power Company Petition satisfies the requirements of section 1769(b). GPC will become the owner and Calpine will continue as the operator of the Sonoma Geothermal Power Project. GPC is the party responsible for compliance with the Commission's conditions of certification, and GPC has filed the required verified statement by Jacob Rudisill, Vice-President, that it understands the conditions of certification and agrees to comply with those conditions.

ORDER

The Energy Commission hereby approves the ownership transfer of the Sonoma Geothermal Power Project from Calpine Geysers Company, L.P. to Geysers Power Company, effective on the date of the closing.

Dated: April 14, 1999
