AES Redondo Beach

Dear Ms. Kelly,

I have been following the research and the politics about the AES site, and I am a concerned citizen very much opposed to the building of a new power plant on the site. Given the newer technologies and the fact that power plants will no longer be allowed to be ocean cooled, I think we are looking at a potential clean-up and repurposing of the land that would be beneficial to all if AES does not rebuild.

Thank you,

Linda Neal
