RE: Preliminary Staff Assessment (PSA) for the Palen Solar Electric Generating System Amendment (PSEGS)

Dear Mr. Dennis:

The Riverside County Waste Management Department (RCWMD) has reviewed the additional solid waste information provided by the CEC for the PSEGS PSA. The additional information was requested by the County of Riverside as part of our PSEGS comment letter (dated July 30, 2013). The RCWMD concurs with the conclusions in the PSA that there is sufficient landfill capacity within Riverside County to accommodate the PSEGS project and that no cumulative solid waste impacts would occur.

Thank you for providing the requested information. Please continue to include the RCWMD in future transmittals. Please call me at (951) 486-3280 if you have any questions regarding the above comments.

Sincerely,

Ryan Ross
Principal Planner
