SUTTER POWER PLANT)	Docket No. 97-AFC-2C
)	Order No. 13-0827-1b
CALPINE CONSTRUCTION FINANCE COMPANY, L.P.)	ORDER APPROVING Change in Ownership of the Sutter Power Plant

Calpine Construction Finance Company, L.P., a wholly owned subsidiary of Calpine Corporation, submitted a petition to amend the Final Decision for the Sutter Power Plant, requesting approval to transfer the ownership of the plant from Calpine Construction Finance Company, L.P., to CCFC Sutter Energy, L.L.C., also a wholly owned subsidiary of Calpine Corporation. A representative of the proposed new owner attested under penalty of perjury that he understands the obligations imposed by the conditions of certification and agrees to be bound by the requirements of the Energy Commission’s Final Decision for the project. In a subsequent letter, Calpine Construction Finance Company, L.P., asked that the Energy Commission acknowledge and approve, if necessary, the change of name of the facility from the Sutter Power Plant to the Sutter Energy Center.

STAFF RECOMMENDATION

Staff has reviewed the petition, finds that it complies with the requirements of Title 20, section 1769 (b) of the California Code of Regulations, and recommends approval of the ownership change.

CONCLUSION AND ORDER

The California Energy Commission hereby adopts staff’s recommendation and approves the transfer of ownership from Calpine Construction Finance Company, L.P., to CCFC Sutter Energy, L.L.C. The Energy Commission also acknowledges the change of name of the facility from the Sutter Power Plant to the Sutter Energy Center.
