Lisa and Parties,

We have checked with our experts and PSH agrees to have Biology on the 29th to accommodate the Center.

Mr. Celli and parties, I want to let you and the committee know as early as possible that 2 of the experts that will be testifying for the Center regarding biology and soils (particularly sand issues) are not available on Monday October 28. They are both available on Tuesday October 29. We request that those issues at the evidentiary hearings be scheduled for Tuesday, October 29. Thank you.

Lisa T. Belenky, Senior Attorney
