Mr. Pozzuto
and
CEC

**HECA Project –
PSA/DEIS written comments**

PUBLIC PSA/DEIS COMMENT FORM

Must be received on or before October 1, 2013

(Please print clearly) I chose to write

I resent the possibility of being "BLOWN-UP"
by a nasty, ~~vill~~, filthy ~~unnecessary~~
plant "HECA"....!

I am a Senior Citizen, I can't run away,
I have lived in TUPMAN, since the 1970's
Life is hard enough out here!

Now, all we have to look forward
to, is when is "it" gonna happen?

This plant is a experiment; all it
will take is one serious malfunction, and
mistake, and "BOOM"!

OUR BLOOD WILL BE ON YOUR HANDS!
