Docket Number: 09-AFC-07C

Committee to confirm land use as per current zoning will not be impacted for neighboring parcels

Given the sitting committee is working on all aspects of the Palen Solar project, would like the committee to ascertain that all nearby parcels in the vicinity - approx. 3-5 miles of the plant will not be impacted.

eg: Parcels with RUR, OS etc will be able to sustain their land for farming as well as rural habitation.
