Re: **Bottle Rock Geothermal Power Plant (Docket No. 79-AFC-04C)**
Project Landowner Comments

Dear Commissioners Douglas and Scott:

V.V. & J. Coleman, LLC (the "Landowner"), the Project landowner in the above referenced proceeding, and Landowner's legal counsel will not be able to attend the full Commission hearing scheduled for December 11, 2013, although we will attempt to call in to the proceeding if we are able. We appreciate the effort that you and staff have put in to the proceeding thus far in reaching your Proposed Decision which was published on November 27, 2013. The Landowner agrees with the amount of the proposed financial assurances set out in the Proposed Decision. The Landowner does not object to modifying the payment schedule as proposed by Bottle Rock Power, LLC in its Request filed on December 6, 2013.

Very truly yours,

DIEPENBROCK ELKIN LLP
