Docketed Date:	12/18/2013

Notice of Decision by the Energy Resources Conservation and Development Commission of the State of California

To X California Natural Resources Agency
1416 9th Street, Room 1311
Sacramento, CA 95814

From: California Energy Commission
1516 9th Street
Sacramento, CA 95814

Subject: Filing of Notice of Decision in compliance with Public Resources Code Section 21080.5 and Title 20, California Code of Regulations, Section 1768

Project Name: Bottle Rock Geothermal Power Plant

Energy Commission Docket Number: 79-AFC-04C

Energy Commission Contact Person: Camille Remy Obad **Phone #:** (916) 654-3940

Project Location: Cobb, Lake County, California

Project Description: An update to Bottle Rock Geothermal Power Plant's (BRPP) compliance conditions of certification for emergency response and facility closure planning and financial assurances. The BRPP is a 55 megawatt geothermal power plant, currently producing approximately 10 megawatts annually.

Modification Description: Bottle Rock Power, LLC's Petition to Amend the California Energy Commission's Final Decision pertaining to facility emergency response and closure planning and financial assurances. Compliance Conditions of Certification **COM-1, COM-2, COM-3, COM-4, COM-5, COM-6, COM-7, COM-8, COM-9, COM-10, COM 11, COM-13, COM-14, COM-15,** and **COM-16** replaced BRPP's 1984 General Provisions to update their compliance specifications.

On December 11, 2013, the California Energy Commission approved the above-described project pursuant to a regulatory program certified by the California Secretary of Natural Resources under Section 21080.5 of the California Public Resources Code.

1. With mitigation, the project will not have a significant effect on the environment;
2. Mitigation measures were made conditions of approval of the project;
3. The project is in compliance with all laws, ordinances, regulations and standards (LORS); and
4. A statement of Overriding Considerations was not adopted for the project.

The Commission docket files containing the final Commission Decision and other information regarding the project are available to the public at: California Energy Commission, 1516 9th Street, Sacramento, California, 95814. This and other information regarding the project is also available on the Commission's web site located at <http://www.energy.ca.gov/sitingcases/bottlerock/>
