STATUS REPORT # 2 – JANUARY 3, 2014

On October 16, 2013, the Redondo Beach Energy Project Siting Committee issued a "Scheduling Order" requiring status reports the first of every month, commencing on December 1, 2013. This status report responds to the Committee's requirement.

Discovery and Analysis

Staff has received all of the responses we expect from the applicant to Data Request Set 1. On December 20, 2013 staff filed Data Request Set 2 (Nos. 67-70) with the applicant in the technical areas of Air Quality (Nos. 67-68) and Noise and Vibration (Nos.69-70). Data Responses from the applicant are expected by January 20, 2014.

The South Coast Air Quality Management District is still preparing the Preliminary Determination of Compliance.

Staff Workshops

Staff plans to notice a second public data response workshop to be held in Redondo Beach during the later part of January 2014. Technical areas to be discussed at the workshop may include the data request areas of Air Quality, Alternatives, Cultural Resources, and Noise and Vibration. Other technical areas may also be noticed for discussion at the January 2014 workshop, if necessary.
