**Re: Huntington Beach Energy Project (12-AFC-02)
Applicant's Status Report (February 2014)**

Dear Commissioners and Hearing Adviser Cochran:

Applicant AES Southland Development, LLC submits this Status Report for the Huntington Beach Energy Project ("HBEP") pursuant to the Committee's July 31, 2013 Scheduling Order. As the Committee is aware, Commission Staff published a Supplemental Focused Analysis for the PSA Part A ("Supplement") on December 20, 2014. Applicant submitted comments regarding the Supplement on January 21, 2014. On January 27, 2014, the South Coast Air Quality Management District docketed the Preliminary Determination of Compliance ("PDOC") for HBEP. As Staff is now in possession of the PDOC, Applicant looks forward to Staff's publication of PSA Part B on or before February 26, 2014.¹

Respectfully submitted,

A handwritten signature in blue ink that reads "Melissa A. Foster".

Melissa A. Foster
