SUBJECT: Redondo Beach Fire Department questions

Wed 3/26/2014 12:13 PM

Good afternoon:

Yes to both queries; we would always appreciate secondary access, in the event of blocked initial access for any unanticipated reason.

Redondo Beach Fire Department will be the CUPA in the event the power plant is certified.

Best regards,

Robert Metzger

Subject: Redondo Beach Project Access

Importance: High

Dear Chief Metzger;

I was wondering if the Redondo Beach Fire Department would require a secondary access to the power plant for emergency access?

Also, will the Redondo Beach Fire Department be the Certified Unified Program Agency (CUPA) for the power plant if plant is certified?
