## **PUBLIC COMMENT**

Dear Commission staff,

Is the full docket to be made available online? Will all comments submitted--- whether by email, US mail, or the online form-- be uploaded to the online docket for public record access?

I inquired via email to the Public Adviser on 4/22/14 (see below & also attached).

I learned that Mr. Solorio, the former project manager in this case, has left the CEC, so he didn't reply. The QB CEC webpage still lists Mr. Solorio, so I Cc'd him on my inquiry.

Your reply will be appreciated.

Dear Public Adviser,

I have a concern that comments submitted over the past couple weeks are not being posted to the docket that is viewable at the website.

It's my understanding that the public record should contain all submissions (sent via email and the online comment form) related to this case. I recognize that there has been a tremendous response, but I am concerned that the docket is not fully reflective of comments that have been submitted.

A prompt response would be appreciated.

Thank you,

Theresa McCarthy
