3. Petitioner \square is, \boxtimes is not a member of a group or organization already a party to this proceeding.

4. Petitioner seeks to intervene in this proceeding because [state grounds for intervening; reason for interest; the extent to which the petitioner desires to participate in the proceeding; and, if Petitioner is a member of a group or organization which is already a party, state why intervening as an individual is necessary]:

The City of Hermosa Beach ("City") is a general law city located in Los Angeles County immediately adjacent to the proposed site of the Redondo Beach Energy Project ("RBEP"). The RBEP is located at the intersection of North Harbor Drive and Herondo Street, which serves as the Southeast border between the City of Redondo Beach and Hermosa Beach. Many residents of the City live on Herondo Street directly across from the project site. They and other residents of the City are likely to experience the same types of health, safety, and welfare impacts experienced by residents of the City of Redondo Beach, potentially to an even greater degree.

The City understands that air pollution and noise have been identified in this proceeding as potential impacts of the RBEP. Air pollution and noise are not constrained by jurisdictional boundaries, particularly where, as here, the project is immediately adjacent to an affected jurisdiction. The City is in the best position to identify potential impacts to its community and convey evidence thereof to the Commission. The extent to which the RBEP will create significant impacts to the City has not yet been determined; however, due to the limited timeframe within which to intervene, the City seeks leave to intervene at this time to preserve its right to fully participate in this proceeding as information becomes available.

The City has a strong interest in making sure that all issues related to the RBEP—not just those affecting the City of Redondo Beach—are carefully considered. For the reasons stated above, Petitioner seeks leave to intervene in this proceeding.

5. Petitioner 🛛 agrees, 🗌 does not agree that documents can be served upon me via email only and an additional paper copy by mail is not necessary.
