Dear Librarian:

**DOCUMENT HANDLING FOR THE PRELIMINARY STAFF ASSESSMENT -
FOR THE PROPOSED REDONDO BEACH ENERGY PROJECT (12-AFC-03)**

The enclosed Preliminary Staff Assessment (PSA) contains the California Energy Commission staff's preliminary engineering, environmental and public health and safety evaluation of the Redondo Beach Energy Project (RBEP) proposed to be located in the city of Redondo Beach. Please make this PSA available for those who may wish to be informed about the project. We request that you not allow the PSA or any of its contents to be removed from the library. To increase accessibility of the document, we ask, if possible, that you cross reference it as a general reference work under the title and author categories, as well as under such subjects as "Energy Commission," "electricity energy/generation," "power plant siting," or any other relevant subject.

The Energy Commission's siting process is open to the public and incorporates the input of the public as well as local, state and federal agencies. To facilitate public participation in our review process, the Commission distributes copies of staff documents, such as the PSA, to public libraries in communities near the proposed project, and in major cities throughout the state. As such, please retain a copy of the enclosed Notice of Availability behind the front cover of the PSA and also post a copy of the Notice of Availability in a place conspicuous and accessible to those members of the general public who visit the library.

Thank you for your cooperation. If you have any questions, please contact Patricia Kelly, Siting Project Manager at (916) 654-4063 or at the address on this letterhead or by email to Patricia.Kelly@energy.ca.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Chris Davis", written over a horizontal line.
