Mr. Robert Oglesby, Executive Director
California Energy Commission
1516 Ninth Street
Sacramento, CA 95814

Subject: Repeated Application for Confidential Filing
Colusa Generating Station (06-AFC-09C) - Project Modification, Back-up Water
Supply Pipeline, Revised Cultural Resources Record Search and Survey Report,
Responses to CEC August 14, 2014 Comments

Dear Mr. Oglesby:

Pursuant to Title 20, section 2505(a)(4), of the California Code of Regulations, Pacific Gas and Electric Company (PG&E) hereby submits this Repeated Application for Confidential Designation for the attached documents - Revised Phase I Cultural Resources Survey Report for the Colusa Generating Station, Record Search Bibliography, and Department of Parks and Recreation Forms 523 - which are submitted in response to a request issued by California Energy Commission Staff in the above referenced proceeding.

By letter dated August 14, 2014, the Executive Director approved the initial request for confidential designation of certain documents relating to cultural resources within the Colusa Generating Station area, including results of a field survey, literature search, and archival research submitted by PG&E on July 21, 2014. The Revised Phase I Cultural Resources Survey Report for the Colusa Generating Station, Record Search Bibliography, and Department of Parks and Recreation Forms 523 contains confidential literature and archival research that is substantially similar to the previously submitted information and all facts and circumstances relevant to the confidentiality of the information remain unchanged.

Should you have any questions, please contact Charles Price at 530-934-9007, Susan Strachan at 530-757-7038, or me at 916-286-0207.

I certify under penalty of perjury that the information contained in the Repeated Application for Confidential Designation is true, correct, and complete to the best of my knowledge and belief. I am authorized to make this repeated application and certification on behalf of the Applicant.

Sincerely,

CH2M HILL
