## **CEC, Pls reject new natural gas plants in Huntington Beach**

We Call on the CEC to Stop New Natural Gas Plants in Huntington Beach

Dear CEC Commissioners:

Docket No. 12-AFC-02

The last thing the air and shore of Huntington Beach and Greater Los Angeles need is another dirty fossil-fueled generating plant. The people of Southern California ask the Commission to reject the gas-fired Huntington Beach Energy Project (HBEP) and choose cleaner, healthy, modern alternatives instead.
