Palen Project Another Bird Killer

This not only will destroy the view of Joshua National Park, but kill more birds. This place is in a migration corridor. To place this monstrosity here will kill birds like Bald Eagles, woodpeckers, migrating warblers, and other wonderful birds. Why is California ignoring the good advice of wildlife experts. This area attracts people from all over the world to see amazing birds and wildlife. Why would you risk the wildlife here wildlife? There are other solutions.
