Purpose of Committee Conferences

The Committee Conferences will be held for the primary purpose of conducting Committee deliberations in closed session. The open portion of the conferences will be convened, public comment taken, and then the closed sessions will begin. The open meetings will be reconvened to announce the conclusion of the closed sessions and then adjourn. No oral argument will be taken. We encourage the parties and public to take advantage of our remote access facilities (WebEx) to avoid the cost and time of traveling to Sacramento for what will be a very brief public portion of the conferences.

e-Filing and e-Commenting

Parties must now file (docket) and serve documents and submit comments using the new Energy Commission e-filing and e-commenting system. Simply visit the website at:

http://www.energy.ca.gov/sitingcases/huntington_beach_energy/index.html

To view these documents, select the “Documents for this Proceeding (Docket Log)” link and click on the link for the desired document.

Members of the public are encouraged, but not required, to use the e-commenting system.

Applicant and Staff Comment Deadline

Intervener and Public Comment Deadline

The deadline for Intervener and public comments on the RPMPD is October 24, 2014, by 5:00 p.m.

Interveners are encouraged to share some or all of their comments in writing prior to the first Committee Conference on October 22, 2014.

In order to assure that your comments are considered, they must be electronically uploaded to the e-filing system, or your e-mail received by the Docket Unit or your mailed written comment physically delivered on or before the deadline (postmarks do not count).
