Subject: Huntington Beach Energy Project – Clarification of Comment Periods

The Committee assigned to the Huntington Beach Energy Project (HBEP) published the Revised Presiding Member's Proposed Decision (RPMPD) on October 9, 2014. That same day, the Committee issued the "Notice of Availability of the Revised Presiding Member's Proposed Decision, Notice of Committee Conferences (Closed Sessions), and Notice of Full Commission Hearing" (Notice of Availability).

The Notice of Availability contained information regarding the comment periods applicable to the RPMPD. The Committee required staff and applicant to file their respective comments on the RPMPD no later than October 21, 2014, to allow the Committee the opportunity to receive and review the comments before the first closed session Committee Conference scheduled for October 22, 2014.

To clarify, staff and applicant shall file comments by October 21, 2014. However, nothing in the Notice of Availability precludes staff or applicant from filing additional comments through the end of the comment period on Friday, October 24, 2014, at 5:00 p.m. Any other person or party may also file comments through the comment period that ends on Friday, October 24, 2014, at 5:00 p.m.
