CARLSBAD ENERGY CENTER PROJECT 07-AFC-06C

To: Mayor Pro Tem Mark Packard

City of Carlsbad

Dear Dr. Packard,

On 10/14/2014 you sent a letter on behalf of the City of Carlsbad to Commissioners Douglas and McAllister regarding scheduling. In the second paragraph you wrote, "...written comments (attached) submitted following the Commission's August 20, 2014 Workshop on Southern California Energy Reliability."

We do not see any attachment to the letter, nor can we find anything docketed relating to the Commission's August 20, 2014 Workshop on Southern California Energy Reliability. These references need to be clarified so that interested parties and the public can evaluate your request to the Commission.

DATA REQUEST #1

Please provide the attachments that were not included in the letter. Also, please provide a reference to the Commission's August 20, 2014 Workshop on Southern California Energy Reliability.

DATA REQUEST #2

Please provide a reference for the statement in the second paragraph of your letter which states "...meet the joint agencies' Southern California electricity plan...".

Lastly, we would appreciate your letter being resubmitted in a format that will allow the entire document to be printed.

Sincerely,

Arnold Roe, Ph.D.

Julie Baker
