Subject: Change of Compliance Project Manager

Christine Stora has accepted a position as Advisor for Commissioner Karen Douglas, effective October 13, 2014. Prior to joining the office of Commissioner Douglas, Ms. Stora served as the Compliance Project Manager for the Petition to Amend the El Segundo Energy Center, docket no. 00-AFC-14C (ESEC). The California Energy Commission appointed a committee to conduct proceedings on the Petition to Amend ESEC, comprised of Commissioner Douglas as the presiding member and Commissioner Scott as the associate member. To avoid potential ex parte communications, Ms. Stora will refrain from participating in the proceeding on the Petition to Amend ESEC, and will not discuss this proceeding with Commissioners Douglas, Scott, or other Commissioners.

Camille Remy-Obad has replaced Ms. Stora as the Compliance Project Manager for the Petition to Amend ESEC.
