Subject: Application for Confidential Designation for the Blythe Solar Power Project (09-AFC-06); Limited Notice to Proceed Cultural Resources Monitoring Report

To Whom It May Concern:

Blythe Solar Energy Center, LLC, a Delaware limited liability company and wholly owned subsidiary of NextEra Energy Resourced LLC, is the owner of the Blythe Solar Power Project (09-AFC-06). Blythe Solar Energy Center, LLC requests that the information described below be designated confidential pursuant to the California Public Records Act (Gov. Code, sec. 6254.10.).

In support of its application, Blythe Solar Energy Center, LLC, provides the following information:

Applicant: Blythe Solar Energy Center, LLC  
Address: 700 Universe Boulevard  
June Beach, FL 33408

This Application for Confidential Designation covers one cultural resource informational document titled here as:

Report of Cultural Resources Monitoring for Limited Notice to Proceed Activities for the Blythe Solar Power Project (09-AFC-06).

This report includes the location of cultural resources, including descriptions and maps, which must remain confidential in perpetuity in order to preserve them and must not be disclosed without removing the sensitive cultural resource locational information and maps.

The California Public Records Act provides for the nondisclosure of archaeological site information and reports. (Gov. Code, sec. 6254.10.) The Public Records Act also recognizes the confidentiality principles of federal law. (Gov. Code, sec. 6254(k)). The Archaeological Resources Protection Act establishes a clear, national legal policy that all types of archaeological, paleontological resource site locations must be kept confidential in order to preserve them.
