Re: Blythe Energy Project (99-AFC-08C)  
Project Modification, Property Owner List

Dear Ms. Dyas:

On behalf of Blythe Energy Inc., enclosed for your convenience is a list of property owners within 1000 feet of the Blythe Energy Project (99-AFC-08C) site. As you are aware, section 1769(a)(1)(H) of the California Energy Commission's Siting Regulations requires project owners to provide a list of property owners potentially affected by proposed project modifications. As noted in the Petition to Amend filed by Sierra Research on behalf of Blythe Energy Inc. on November 25, 2014 (TN# 203374), the proposed modification will not require a change to any of the emission limits or conditions of certification specified in the Commission Decision. Thus, nearby property owners will not be affected by the proposed modification.

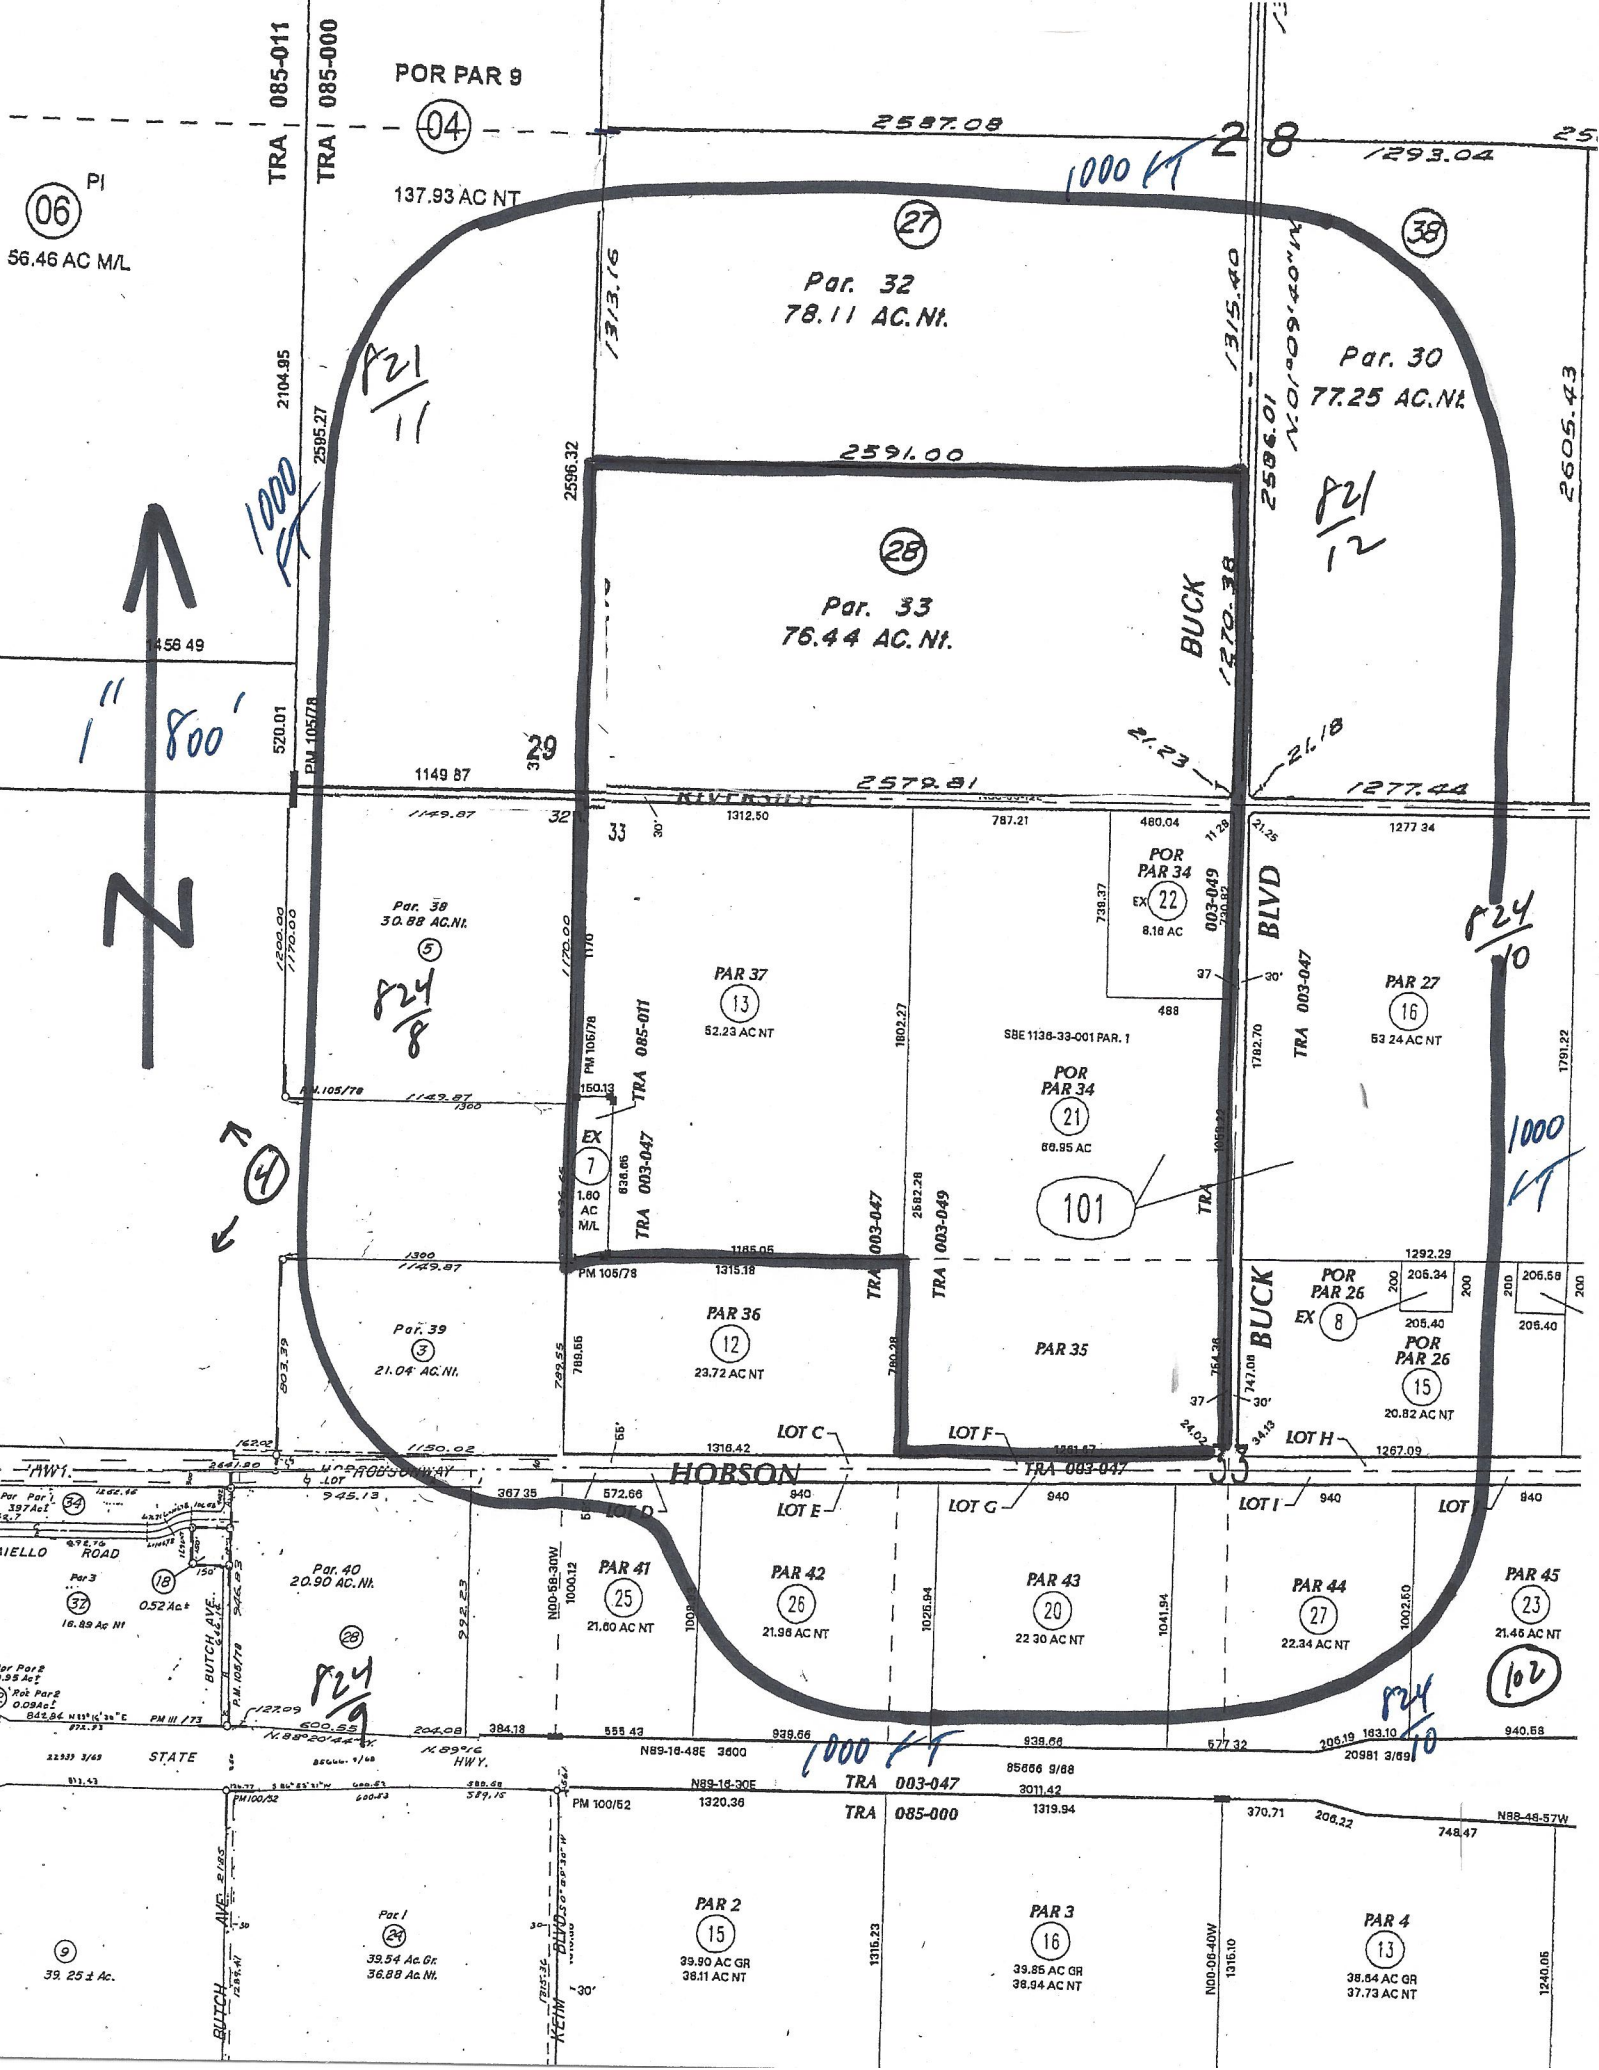

If you have any questions about this matter, please contact me at (916)273-5141.

Sincerely,

Sarah Madams  
Assistant Project Manager
