Christopher J. Doyle, Vice President  
Blythe Energy Inc.  
1411 Third Street, Suite A  
Port Huron, MI 48060

**SUBJECT: BLYTHE ENERGY PROJECT, 99-AFC-8C**  
**Approval of requested modification to add a turndown upgrade package to the two existing gas turbines at Blythe Energy Center**

Dear Mr. Doyle:

In accordance with the provisions of Title 20, California Code of Regulations, section 1769(a), California Energy Commission (Energy Commission) staff reviewed your petition dated November 25, 2014 requesting modifications including the addition of a turndown upgrade package to the two existing gas turbines at Blythe Energy Center.

A Notice of Receipt was mailed to the Energy Commission's post-certification project mailing list on December 10, 2014. Staff then determined that the petition met the criteria of section 1769(a)(2), and mailed a Notice of Determination to the Energy Commission's post-certification project mailing list on December 18, 2014. Energy Commission staff did not receive any public comments regarding the requested project change within the 14-day public review period as specified in section 1769(a)(2). Therefore, your requested modification to the Blythe Energy Center project to add a turndown upgrade package to the two existing gas turbines at Blythe Energy Center is approved.

If you have any questions, please call me at (916) 651-8891, or send an e-mail to me at [mary.dyas@energy.ca.gov](mailto:mary.dyas@energy.ca.gov).

Sincerely,

A handwritten signature in black ink, appearing to read "Mary Dyas", with a long horizontal flourish extending to the right.

Mary Dyas  
Compliance Project Manager  
Siting, Transmission & Environmental Protection Division
