Re: Sacramento Municipal Utility District IEPR;
Docket No. 15-IEPR-03 Demand Forecast

Attached please find the Sacramento Municipal Utility District's (SMUD) Electricity Demand Forecast information submitted in the referenced matter. SMUD is submitting Forms 1 through 6 according to the CEC's instructions for publicly owned utilities. Attached are one Excel document and one Word document.

Please note that in some cases the instructions do not correspond to SMUD's forecasting and reporting practices to other agencies, such as FERC, and for this reason may not exactly match the data provided to these other agencies. SMUD has followed the CEC's instructions wherever possible and would be happy to explain any difference upon your request.

SMUD is not seeking to protect or designate information provided herein as Confidential.

If you have any questions, please contact Nate Toyama at 916-732-6685, or myself at 916-732-6124. Thank you.

Sincerely,
