SUBJECT: Bottle Rock Geothermal Power Plant (79-AFC-4C)
Proposed Ownership Change: Request for Additional Information

Dear Mr. Varanini:

Energy Commission staff is currently reviewing the petition for ownership change for the Bottle Rock Power Plant that was filed by the Department of Water Resources on April 11, 2001. In order to complete our review, we will need additional information on the Oasis Oil Corporation, the corporate entity identified as owning 88% of the shares of the Bottle Rock Power Corporation. Please submit documentation (e.g., verification of corporate status both in or out of California, corporate annual report, company profile, etc.) to provide us with a greater background relative to the Oasis Oil Corporation. Please deliver this information to our offices no later than 5 P.M. on Friday, May 25, 2001.

Thank you in advance for your assistance in this matter. As you are aware, this petition has been scheduled for the May 30, 2001 Energy Commission business meeting. If you have any questions, call me at 916-654-3864 or e-mail at ntronaas@energy.state.ca.us.

Sincerely,

Nancy Tronaas
Compliance Project Manager
