WITH:	Rich Montoya, Road Maintenance Supervisor of Contra Costa County		
SUBJECT:	Condition of Bruns Road		

I called Rich Montoya, the road maintenance supervisor of Contra Costa County, to ask him if the county had made any recent road improvements to Bruns Road or if he had knowledge of degraded conditions of the pavement on Bruns Road. Rich Montoya said that the last paving was done the previous summer (summer 2014) by the utility company operating the nearby windmills. He could not confirm any knowledge of any damages along the Contra Costa portion of Bruns Road as of his last visit 3 to 4 weeks prior to our conversation. He told me that he would follow up with an inspection of the road and a report of his visit via telephone.
