¹ Energy Commission Commissioners, Karen Douglas, Presiding Member, and Janea A. Scott, Associate Member. The full Commission made this Committee assignment on August 27, 2013.

Background

On November 20, 2012, AES Southland, LLC (AES) submitted the AFC to the California Energy Commission seeking permission to construct and operate a power generation facility, the RBEP, located at 1100 North Harbor Drive, in the city of Redondo Beach, Los Angeles County. The site is southeast of the intersection of North Harbor Drive and Herondo Street. The project would be located entirely within the footprint of the existing AES Redondo Beach Generating Station, an operating power plant.

Energy Commission staff published the Preliminary Staff Assessment (PSA) on July 28, 2014. The proceeding was suspended for approximately eight months while AES pursued an initiative to change the land use plan for the site.

On May 5, 2015, the Committee filed a Scheduling Order and Order Regarding the Filing of Record of Conversation (May Scheduling Order).² A Revised Scheduling Order was filed on May 8, 2015.³ Under the Revised Scheduling Order, Energy Commission staff was directed to file its Final Staff Assessment (FSA) no later than September 4, 2015.

The Committee held a conference on the PSA on August 5, 2015. Following the conference, the Committee issued an order that, among other things, vacated the Revised Scheduling Order.⁴ The order stated that there would be a subsequent status conference to review the current status of the proceeding, particularly the status of the Final Determination of Compliance (FDOC) to be issued by the South Coast Air Quality Management District (SCAQMD).

SCAQMD submitted an e-mail dated August 12, 2015 that stated that publication of the FDOC will not occur until late 2015/early 2016.⁵

Purpose of the Status Conference

The purpose of this Status Conference is to address the timing of the issuance of the FDOC and future schedule of the RBEP proceeding.

The Committee will also consider the motion to compel production of certain documents that was brought by the City of Redondo Beach, an intervenor in this case.⁶ Staff has filed its brief, supporting the motion to compel.⁷ Applicant has filed an opposition to the motion.⁸
