Subject: ALAMITOS ENERGY CENTER (13-AFC-01) STATUS REPORT 10

On November 5, 2014, AES was awarded a Power Purchase Agreement from Southern California Edison (SCE) for the Alamos Energy Center (AEC), with different equipment, configuration, and fewer megawatts than the information submitted to the Energy Commission in the Application for Certification. AES is currently developing a Supplemental Application for Certification, expected to be submitted in late October of 2015. The commercial operation date for the Power Purchase Agreement signed with SCE would be March 1, 2020.

Christopher Meyer has been assigned as the new Siting Project Manager for the Energy Commission on the AEC proceeding, replacing Keith Winstead. He can be reached by email at Christopher.meyer@energy.ca.gov or by telephone at (916) 654-4640.
