RE: WATER SUPPLY ASSESSMENT (WSA) FOR PALMDALE HYBRID POWER PROJECT PETITION TO AMEND

Dear Mr. Dennis:

This is in response to your letter dated September 25, 2015 requesting a Water Supply Assessment (WSA) for Palmdale Hybrid Power Project (PHPP) petition to amend.

The PHPP is located outside the Palmdale Water District's (PWD) boundary and therefore is not included in any planning or water supply documents prepared by PWD. PWD and the City of Palmdale have formed the Palmdale Recycled Water Authority (PRWA) to jointly distribute and make available recycled water within the PWD boundary. The City of Palmdale has retained a sufficient supply of recycled water to supply the needs of the PHPP through an existing contract with the Los Angeles County Sanitation District.

If you need any additional information, please feel free to contact me at 661-947-4111 extension 118.

Very truly yours,

MATTHEW KNUDSON,
Assistant General Manager
