APPLICATION FOR CERTIFICATION FOR THE
REDONDO BEACH ENERGY PROJECT

Docket No. 12-AFC-03

NOTICE OF CANCELLATION
OF THE
NOVEMBER 23, 2015 AND JANUARY 4, 2016
STATUS CONFERENCES

Background

On November 20, 2012, AES Southland, LLC (Applicant) submitted an Application for Certification (AFC) to the California Energy Commission (Energy Commission) seeking permission to construct and operate a power generation facility, the Redondo Beach Energy Project (RBEP), located at 1100 North Harbor Drive, in the City of Redondo Beach, Los Angeles County. The site is southeast of the intersection of North Harbor Drive and Herondo Street. The project would be located entirely within the footprint of the existing AES Redondo Beach Generating Station, an operating power plant. On August 27, 2013, the full Energy Commission appointed Karen Douglas, Commissioner and Presiding Member, and Janea A. Scott, Commissioner and Associate Member, as the Committee to conduct proceedings on the AFC. ¹

On November 6, 2015, Applicant and the City of Redondo Beach, an intervenor in this proceeding, filed a “Petition for Suspension of the Application for Certification of the Redondo Beach Energy Project” (the Petition). ² The Petition asks the Energy Commission to suspend the proceedings, including ruling on any pending motions, until August 1, 2016. Under Commission regulations, parties have 15 days after the filing of a motion or petition to respond to the filing. ³ The Committee will rule on the Petition only after the expiration of that time.

The Committee had previously provided notice of status conferences to be held November 23, 2015, and January 4, 2016. ⁴ The parties and other interested agencies

² TN 206528.

had also been ordered to file monthly status reports, on or before the first day of each month.\textsuperscript{5} Given the pendency of the Petition, the Committee hereby ORDERS:

1. The Status Conferences currently scheduled for November 23, 2015, and January 4, 2016, are hereby cancelled.

2. The requirement to file monthly status reports is hereby suspended until further order of the Committee.

Information concerning the status of the project, as well as notices and other relevant documents, may be viewed on the Energy Commission's Internet web page at: http://www.energy.ca.gov/sitingcases/redondo_beach/.

\textbf{It is so ordered.}
