Docket Number: 15-MISC-05

training oneself to count green house gases instead of renewables

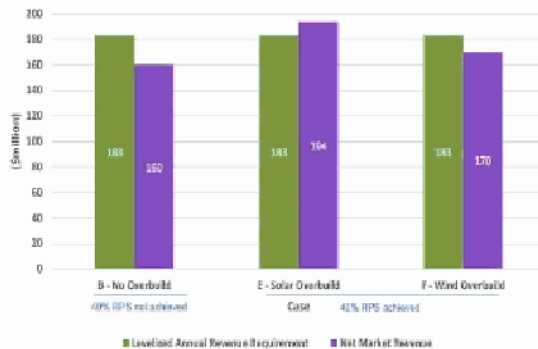

In training oneself to count green house gases instead of renewables, I offer the following.

Please view video contained in the attached PDF.

See http://ugemrp.com/caiso/dashboard/co2/index_week_45.svg for a view of carbon reductions or lack there of.

Additional submitted attachment is included below.

Pumped storage levelized annual revenue requirement and net market revenue of 2024

**** Net revenue is revenue from generation, reserves and load following minus cost of operation and energy consumed.
