RE: PETITION TO MODIFY – STEAM TURBINE WEATHERIZATION COVERS
CA Energy Commission Petition Fee
El Segundo Energy Center, El Segundo, CA
Docket No. 00-AFC-14C

Dear Ms. Remy-Obad:

El Segundo Energy Center LLC (ESEC), a wholly owned subsidiary of NRG Energy, Inc. (NRG), submits the attached Petition to Modify for thermal insulation modification and installation of steam turbine weatherization covers on units 6 and 8.

ESEC will separately submit a check in the amount of \$5,000 in compliance with Section 25806 (amended in 2015). While we do not anticipate any changes to the Energy Commission Decision for this proposed work, we understand the necessity for the requisite fees.

If you have any questions, please do not hesitate to contact me at 760-707-6833 or via email at George.Piantka@nrg.com

Best Regards,
