## Memorandum

**To:** All Parties and Persons Interested in the High Desert Power Plant Amendments Proceeding (97-AFC-01C)      **Date:** February 17, 2016

**From:** Paul Kramer, Hearing Officer  
High Desert Amendments Committee  
(916) 654-5103

**Subject:** Postponement of February 19 Committee Conference and February 22 Prehearing Conference/Evidentiary Hearing

In light of the request of the California Department of Fish and Wildlife for additional time to review the amendment petition and other information filed by the parties (TN 210355), the Committee Conference (Closed Session) currently scheduled on February 19, 2016 and the Prehearing Conference and Evidentiary Hearing scheduled on February 22, 2016 will be postponed. I do not have the precise dates and times at this moment but wanted to give you immediate notice to minimize disruptions in your schedules and travel plans. Formal notice of the new dates and filing deadlines will follow later this week.

Today's deadline for filing Prehearing Conference Statements and tomorrow's deadline for responding to the Committee Questions filed yesterday will also be extended. The new deadlines will be contained in the notice of the new conference and hearing dates.
