Subject: Filing of Notice of Decision in compliance with Public Resources Code section 21080.5 and Title 20, California Code of Regulations, section 1768

Project Name: Moutainview Generating Station Project

Energy Commission Docket Number: 00-AFC-02C

Energy Commission Contact Person: Joseph Douglas **Phone #:** (916) 653-4677

Project Location: The facility is located at 2492 W. San Bernardino Ave., in the City of Redlands, in San Bernardino County.

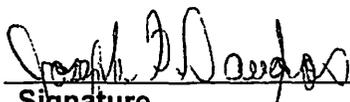

Project Description: The 1,056-megawatt (MW) project was certified on March 21, 2001, and began commercial operation on January 19, 2006.

Modification Description: The modifications approved would replace certain combustion section components with advanced gas path upgraded components on the four existing combustion turbines and will increase the combined generating capacity of the turbines by approximately 48 megawatts. A new condition of certification TRANS-8 was also approved to avoid potential hazards to aviation from thermal plumes.

On March 9, 2019, the California Energy Commission (Energy Commission) approved the above-described equipment change pursuant to a regulatory program certified by the California Secretary of Resources under Section 21080.5 of the California Public Resources Code.
