Subject: Docket number 13-CCEJA-01 - Comments on Proposition 39 K-12 Guidelines

Summerville and Sonora School District fully support the proposed changes to the Proposition 39 Guidelines, specifically the changes that include: "LEAs with "First Preference" Power Rates" By allowing school districts in Tuolumne County to use an alternative power rate, reflecting the "real" uncompensated electricity rate, for their energy efficiency measure SIR calculations, school districts can now submit an application which will fully take advantage of the intent of Proposition 39. Thank you for considering these changes for Tuolumne County.

Sincerely,
Leigh Shampain, Superintendent
Summerville Elementary School District
209-928-4291 ext. 1295
