Subject: Comments on Proposition 39 K-12 Guidelines - Docket number 13-CCEJA-01

Good Morning,

I understand that the California Energy Commission has published the new draft 2016 guidelines for Prop 39 and is seeking input during the 30-day public comment period from April 27 through May 27, 2016. I am thrilled to learn that if these changes are approved by the CEC, school districts like mine, in the 3 "First Preference Power" counties, will finally have a rate that will allow us to apply for and receive grant funding for meaningful energy efficiency projects! I approve and encourage these changes to be made.
