**ALAMITOS ENERGY CENTER  
STATUS REPORT #18**

Pursuant to the *Committee Scheduling Order* issued on January 14, 2016,<sup>1</sup> AES Alamitos, LLC (the “Applicant”) files this status report to inform the Committee on the progress of the Alamitos Energy Center (“Project”) Application for Certification (“AFC”) proceeding.

The Applicant thanks the Committee for the clarification of schedule issued on April 28, 2016.<sup>2</sup> The Applicant has also received a courtesy copy of the May 12, 2016 letter from the City of Long Beach’s Director of the Department of Development Services, Amy Bodek, “which supersedes and replaces a letter from Scott Kinsey, City of Long Beach, dated May 4, 2016.” The Applicant appreciates the clarification from the City regarding its positions relating to the aesthetic treatments and landscaping for the Project. The Applicant continues to work successfully with South Coast Air Management District (“SCAQMD”) to collect and compile emissions inventory data on possible cumulative air quality sources. There are no other data requests related to the SCAQMD. The Applicant looks forward to publication of the Preliminary Determination of Compliance and Preliminary Staff Assessment for the Project.

On May 13, 2016, the Committee notified the parties that the May 23, 2016 Status Conference would be cancelled, and requested a response as to whether a Status Conference should be convened prior to the publication of the PDOC. The Applicant requests that the
