In the Matter of:

**DOCKET NO. 08-AFC-09C**

Petition For Amendment for the  
PALMDALE ENERGY PROJECT

**PALMDALE ENERGY, LLC's STATUS  
REPORT 6**

---

In accordance with the Committee Scheduling Order dated December 2, 2015, Palmdale Energy, LLC has prepared this Status Report 6 to inform the Committee and to provide recommendations concerning the processing of the Petition For Amendment for the Palmdale Energy Project (PEP). The following summarizes the status of the Commission process since the Committee Status Conference conducted on May 10, 2016.

**Revised Preliminary Determination of Compliance**

The Antelope Valley Air Quality Management District (District) published its Revised Preliminary Determination of Compliance on May 13, 2016. The District also formally approved the Road Paving Protocol proposed by Palmdale Energy, LLC.

**Los Angeles County Department of Public Works**

Palmdale Energy, LLC had a productive meeting with representatives of the Los Angeles County Department of Public Works to discuss the areas of the transmission line that would cross County roadways and therefore would be subject to the requirement for a Franchise Agreement. Additional work on delineating every crossing is underway and Palmdale Energy, LLC will be proposing a condition of certification identifying the specific crossings and the Los Angeles County requirements. The proposed condition of certification will be submitted to Staff in sufficient time for Staff to consider it and incorporate it into its Final Staff Assessment.

Dated: May 16, 2016

Respectfully Submitted,

---
