Re: Appeal of Los Angeles Department of Water & Power regarding RPS Certification Eligibility, Docket 16-RPS-02;  
Potential Scheduling Conflict the Week of July 4 – 8, 2016

Dear Mr. Kramer,

I want to alert you of a potential scheduling conflict the week of July 4, 2016, so you may consider the conflict before scheduling any pre-hearing conferences or other matters related to the subject appeal the week of July 4, 2016.

Key members of Energy Commission staff, myself included, are planning to take time off the week of July 4, 2016. Therefore, I request that you not schedule any pre-hearing conferences or other matters related to the subject appeal on this week.

I have conferred with Felix Lebron, LADWP's counsel, and he informs me that key members of LADWP's staff could also be planning time off the week of July 4, 2016, so he is not opposed to a request that you and the assigned committee not schedule any pre-hearing conferences or other matters related to the subject appeal on this week.

Since no pre-hearing conferences or other appeal matters have been scheduled to date for the week of July 4, 2016, I am hopeful that my request may be granted without much inconvenience to you or the assigned committee.

Thank you in advance for your consideration of this request.

Respectfully,

Gabriel Herrera,
