# Memorandum

**To:** All Parties and Persons Interested in the  
LADWP RPS Appeal Proceeding  
(16-RPS-02)

**Date :** July 22, 2016

**From:** Paul Kramer, Hearing Officer  
LADWP RPS Appeal Committee  
(916) 654-5103

**Subject:** Notice That the Primary Purpose of the July 27 Committee Status Conference Will Be  
Committee Deliberation in Closed Session

As I discussed during the July 13, 2016, Committee Status Conference, some of the future Committee Conferences scheduled by the Committee may be for the primary purpose of allowing the Committee to deliberate in closed session. The Committee Status Conference scheduled on Wednesday, July 27, 2016, at 1:30 p.m., is one of those conferences. Accordingly, the parties are encouraged not to travel to Sacramento for what will be a brief public session during which public comment will be taken and then the Committee will adjourn to a closed session. Our WebEx conferencing system is available for you to attend the meeting via your telephone and/or computer. Instructions may be found in the conference notice: <https://efiling.energy.ca.gov/getdocument.aspx?tn=212321>
